Help us be environmentally friendly; we are not using disposable serving dishes or cups. Please return your crockery to the trolley so it can be washed up & reused.

If you have a hot drink flask, water bottle or your own mug, we will refill this rather than give you a mug or glass.

Gluten-free & dairy-free options are available (incl GF bread)

If you have an allergy, please check with the galley before consuming any of the food offered. We have a full list of ingredients for each dish. If possible, please let us know in advance.

Leeds University Sailing Club (LUSC) is providing catering for this event. The proceeds from the food will go towards purchasing sailing equipment for their club to support getting new people without gear into the sport.
